NEXT GEN ATM

THE FIRST OF ITS KIND IN NORTH AMERICA

Introducing the convergence of bricks & mortar and digital and the first of its kind in North America...

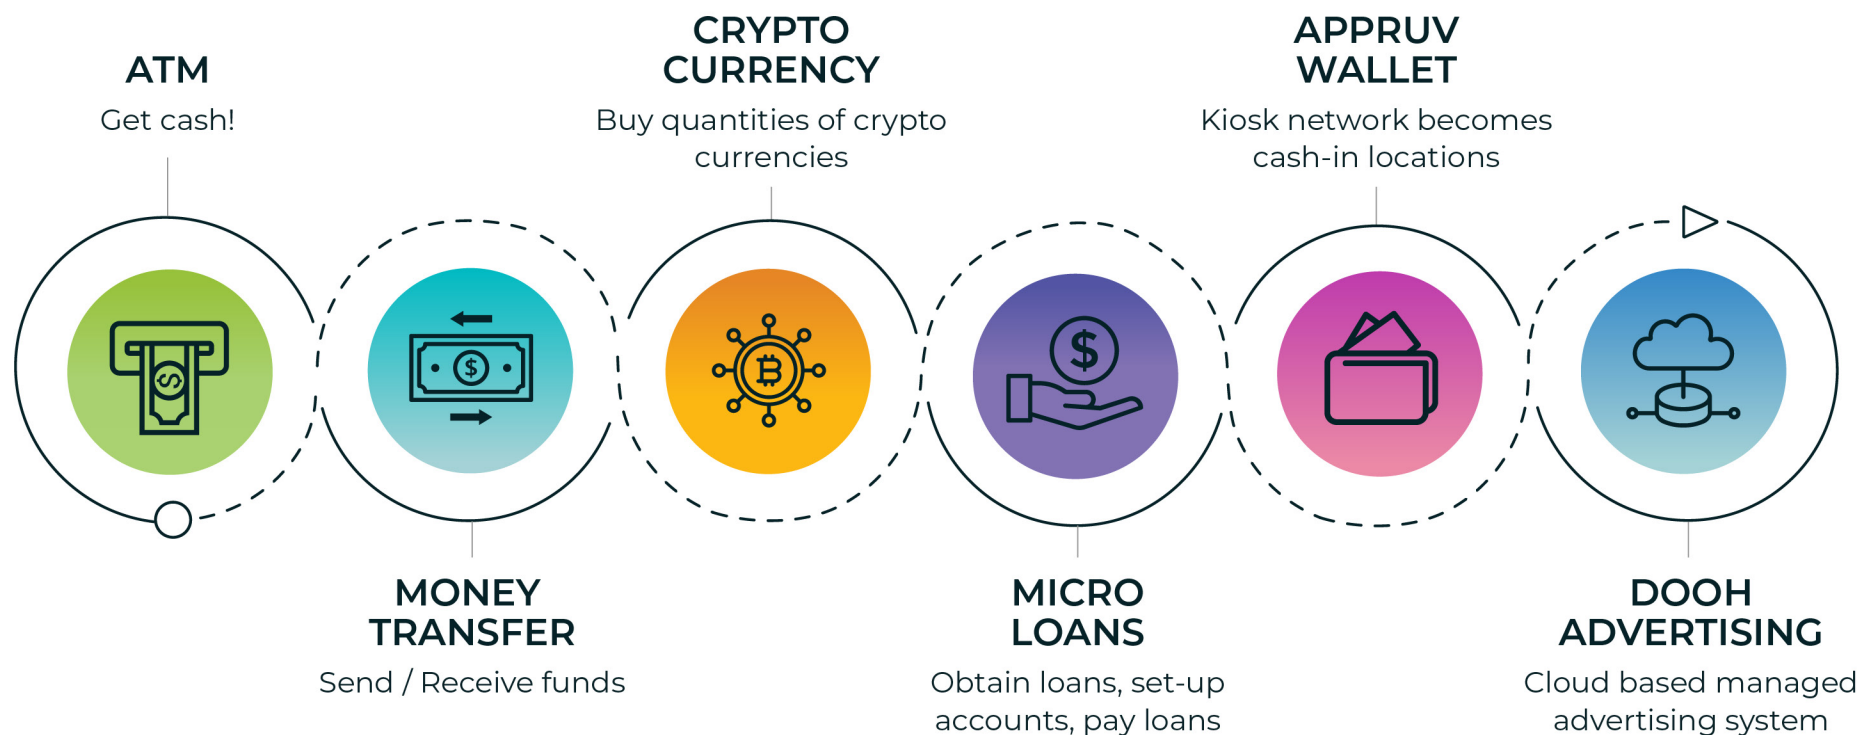

appruv is a financial ecosystem for Canadians on various rungs of the financial ladder.

- Provides a host of financial services on contactless kiosks allowing end users to conduct transactions in a variety of payment methods but always including cash.
- Currently hosts custom designed applications by RapidCash ATM and **appruv** partners to deliver financial services to Canadians on their time and their terms.
- Reduces frictions on everyday financial transactions.
- Revenue available to share with retailers.
- App developers can integrate into our extensive Canada wide network.
- Soon to launch **appruv mobile wallet**.
